## MEGAN LINKE

Hi, I'm Meg. I'm a 40-something mom navigating life in NYC with my son, Liam (Li), and 3 fur-babies: Tooties, Ruby and Mochi. I share a little bit of everything from our life in NYC: mom life, behind the scenes, fashion, beauty, food, soccer, and travel. I am passionate about my city, my son, MLS soccer, my dogs, all rescue animals (especially those with special needs), plant-based yummys, high fashion, and great beauty products. Come join the fun where I always strive to show life through a lens of kindness, humor, and positivity.
